Our Christmas Wish to You!

As we come again to the Christmas holidays our wish for you would be that you would get to be with the people that you love the most!

YThat you hear your favorite Christmas song on the radio!

YThat you get to eat your favorite dish at least once!

YThat you get all of your shopping done early!

YThat you find that special gift for that hard to shop for person and that best of all it would be on sale!

YThat you would always find a parking space close to the door at the mall!

YThat you would find the perfect Christmas tree if you use a live tree!

YThat you would not have to untangle your Christmas lights from last year!

YThat all of you Christmas lights would work!

YThat you would always remember what you did with the tape since the last time you wrapped a gift.

YThat you would always be able to find your scissors!

YThat the bows that you make would be the best ever!

YThat you would somehow in the midst of all the Christmas parties not gain weight!

YThat you would be able to make cookies with a child and share them with a neighbor!

YThat you would be able to watch a child smile as they are standing in line to see Santa at the mall.

YThat you would take the time to read a Christmas story to a child! That you would be able to have a campout under your Christmas tree with you kids or grandkids and talk about your favorite Christmas memories growing up!

YThat you would be able to always remember to do something special for someone outside of your house!

YThat you would always have at least a little bit of change for the bell ringers at the stores!

YThat you would always remember to enjoy the drive to family members homes for the holidays.

YThat you would always remember a special couple that so long ago went willingly to a stable!

YThat you would always remember the shepherds that came to worship!

YThat you would always remember the angels sang in worship!

YAnd the wisemen that came to worship!

YAnd our biggest Christmas wish for you is to remember the baby that came, lived, died for you and rose again that you can have life everlasting! Our wish for you is that you would know JESUS!

Merry Christmas!

Praise and Prayer

◆Praise God for two new pledges since the last newsletter! And for four other churches considering their support. Please pray for these churches that God would provide for them to be able to support us.

◆We also thank God for supplying enough offerings in October to keep us in the black! Please pray that God would continue to provide for our ministry. With the new pledges, our monthly budget needs about \$1,040.00 per month in new or restarted pledges.

◆Please continue to pray that our adoption of Hope, a baby girl from China would go smoothly. The Chinese government has received our papers and we plan to travel to get her in May 2005.

◆Please pray for Crystal's friend Michelle. She needs a touch from the Lord to fully recover from injuries in a car accident and also continued provision of finances due to the accident.

Phillip and Stephen's Corner

We are looking forward to Christmas and celebrating Jesus' birthday!

Stephen is now singing that he wants his 2 front teeth for Christmas! He is also doing great at school and Royal Rangers!

I am getting ready for my first band concert at school in just a few weeks! I am having a lot of fun playing the bells and the drums.

Hope you all have an awesome Christmas!
