How Much is it Going to Cost, Dad?

To do what Stephen? To do another language for Global, Dad! Now that you are done traveling and you have raised as much money as you could how much is it going to cost to do another language? We have really had to stop and think about that question a lot....

What is it going to cost? Outside of time, Stephen, we will need more churches to invest with us in this adventure. We are going to need people to invest prayer time into this adventure! We are going to have to invest more of our prayer time into this adventure. But if you look at the true cost Stephen this is what it will cost us if we don't do another language:

SOULS!

If we don't keep praying, keep working, keep believing, and keep trusting God to provide all that we need to complete more languages it will cost us **everything!**

Our focus is this: Jesus came so that people may hear and believe, HE has equipped us to do the calling that HE placed on our life. Without God's help, we can do nothing! We have to trust God that HE will place our ministry on the hearts of HIS people so that we can have the opportunity to reach HIS world with HIS word so that HIS will that NO ONE should perish can be fulfilled!

So what will it cost....**OBEDIENCE!**

Cleared for Service!!!

After 12 months of traveling during our furlough, our headquarters has officially cleared us to return to work at our studio at Global University!!! We give God thanks and praise for helping us with this time of visiting our churches and raising prayer support! He helped us to raise over \$1200/month in support and we give Him the glory!

However, our headquarters has placed us under a two month review because we did not entirely meet our budget goals. We still have \$192 per month to raise and we need to raise

\$10,000.00 for our cash budget to assist with overseas travel and other ministry expenses.

If you would like to help, you can use the enclosed form to commit to regular monthly giving. One-time gifts can be sent to our address below or to our headquarters at: 1445 Boonville St, Springfield, MO 65802.

Please note your gift with our account number: 243344 9

Please also pray for God to supply the rest of the finances to help our ministry to work effectively!

The Great Questions of Life for Ethiopia

Just one week after we got back, we went into production to produce The Great Questions of Life Video in the Amharic Language. Amharic is the national language of Ethiopia and 70 million people speak it there and around the world! *Please be praying for God's anointing on this technology tool and for Ethiopian souls to be reached for Jesus!*

Phillip, Stephen, and Hope's Corner

Well the school year is off to a great start! Stephen and I have been working hard dealing with the stresses of school yet again. From non-stop homework to Publisher not working in my Journalism class me and Stephen have dealt with it all it seems like. Hope no longer sits in her high-chair because she's a big girl and wants to sit with the big people at dinner. Probably because she can ride some big people rides at the theme park in Branson. I have been working on a story that's been coming along really well. You can check it out at www.xanga.com/HousePodcomix on that site there is a link to my personal site as well. Stephen is now a Discovery Ranger at our church and I'm an Adventure Ranger both of us are working hard for our merits and awards.
