GlobalReach.org Testimonies

When we started working with the GlobalReach.org project in 1998, we had no idea where God was going to take it. Seven years later, the project has grown tremendously. Discipleship Ministry now happens in four languages and is reflected in over 200,000 lesson downloads since the site's beginning.

We have seen many stories of how people have used the lessons on GlobalReach.org to teach new believers about God. One person wrote that she was using the Chinese discipleship lessons in a drug rehabilitation program in Singapore. Another person is using them to disciple new believers in Mexico with the Spanish lessons; and in Canada someone else is teaching French-speaking believers.

The most touching stories come from believers in countries that restrict the Gospel from being taught. Six of the top ten cities that visit GlobalReach.org are in these countries. Ironically, four of these countries' official language are not on the website. Instead, people are accessing our lessons in

English! In all, nearly thirty percent of all visitors come from countries where the Gospel is restricted.

Nadir is from a North African country that punishes Christians who have converted from Islam with death. However, he found Jesus after his search for truth led him to the courses on the

Globalreach website. He emailed Global to tell of his commitment to Jesus and to request additional teaching to help him grow in God.

He was able to continue studying and connect with a local group of believers. He would regularly email and tell of his experiences as a Christian. However, his emails stopped suddenly and we do not know his fate.

We make our discipleship lessons available to anyone who wishes to download them. However, stories like Nadir's emphasize one of many reasons that God has given us this technology: to help reach those who cannot receive the Gospel any other way! Please pray for Nadir and others like him in places where the Gospel is restricted.

Praise and Prayer

⇒Please continue to pray for **Hope Noelle AiFu**, the baby girl that we are adopting from China. We praise God for a foundation that granted money for our travel expenses! Pray for God's favor with three foundations to cover the remainder of legal and travel fees. We leave for China on June 15 and we pick up Hope on Father's Day! We will be returning on June 30. Please pray for safe travels to and from China and also for the bonding to happen instantly with Hope from the moment we see her.

⇒Our ministry cycle for prayer and financial support starts in September. Pray for safety and God's favor. We will travel for 12 months to raise our ministry's monthly budget. We praise God for **\$80 per month in new support** since last time! The remaining \$1030.00 per month is nothing to our God! Pray to the Lord of the Harvest to supply our remaining budget and **Upgrade His Tools** for the Final Harvest.

Phillip and Stephen's Corner

SCHOOL'S OUT FOR THE SUMMER!!! We have just finished our school year and ready for summer break! I made the Honor Roll all year and Stephen had some of the highest grades for a first grader! We are looking forward to being in a lot of different places this summer and seeing some of our friends at School of Missions! We are also going to be enjoying having a little sister around too. It will be a little different having a girl in the house!!!
