### Jamaica

Hello! Stephen here, usually I write the Kids corner (below), but I thought I'd tell you guys about my recent missions trip to Jamaica. This July, about 25 students and leaders from the Youth Program at my church traveled to the City of Refuge, to help missionaries Steve and Sam Puffpaff. The City of Refuge is a children's home in the Blue Mountains of Jamaica. Most of the Children at the City of Refuge have parents, but through various circumstances, the parents have been unable to care for them. Before we got to Jamaica, 4 apartment-like homes had been built at the City of Refuge, and our team gave them fresh coats of paint. We also sanded and stained a brand-new wooden fence, and did a 4-day Vacation Bible School for the children at the City of Refuge, teaching them about the bible, playing fun games, doing crafts, and letting them know that they

are loved by God. One evening while we were in Jamaica, we did Street Ministry in the nearby village of Guava Ridge, and one Jamaican will now be spending eternity in Heaven because of that night. Life wasn't easy in Jamaica, for 2 1/2 days, there wasn't any water at the city of refuge. On the last day that we were there, we rode down the mountain, and to the beautiful beaches of Jamaica. When we got away from the luxuries of the US, God was able to do amazing things!

We are now scheduling for our next furlough starting in September 2015. If you would like for us to visit your church, please contact us at 417-848-8381 or [fredk@fredcrystal.com](mailto:fredk@fredcrystal.com)

### Phillip, Stephen and Hope's Corner

Since Stephen shared about his Jamaica trip, we have swapped spots...Mom gets to type the kids corner!!

I have to say that we are extremely proud of all three of our children! Phillip just started his senior year at Evangel University. He is also making great strides to also help Global University accomplish great things in their courses. He has great information and talents to add to the staff at Global.

Stephen is well on his way to becoming an independent driver! He is becoming quite the pro at car maintenance! He is also working very hard in his junior year of high school! We are also very proud of the fact that he is willing to continually step out of his comfort zone and serve the Lord on missions trips!

Hope continues to honor the Lord in her ice skating! She is constantly making the podium at her competitions! She is so very excited to be starting her 5th grade year in school! She still loves math and history!

We are blessed beyond all measure by the three wonderful blessings!!
