## Gypsies Studying Online Using Tablets

During Global University's National Leadership Conference, our National Representative from Sri Lanka gave a testimony about how they are using technology to train Gypsy Christians to reach their people for Jesus!

Although the Gypsies do not have more than a grade school education, the Church in this island nation has started training them using technology! 40 pastors are using Android tablets that present the discipleship materials in their language using the Internet! He described the impact on them in this way, "They are not educated at all, but here they are studying the Bible using technology which has been made available to them and God is using them in ministry!"

Please be praying for the Gypsy peoples of Sri Lanka as these 40 pastors are trained to reach these nomadic people for Jesus!

### A New Secured Language for GlobalREACH.org!

We have been approached by personnel in a northern region of a sensitive country in Asia to place the region's language online. Because of security concerns and the complexity of the script, we will

most likely have to place the site on a private server where we can execute more powerful commands. This could be our most difficult online language yet, and we appreciate your prayers for wisdom and guidance.

- \*Give to [Help add a secure website to reach the people in this sensitive area of Asia](#) or send to AGWM, Project #11024, 1445 Boonville, Springfield, MO 65802

## Kovach Praise and Prayer

† Please pray for the Sri Lankan pastors as they study to be more effective in reaching their people.

† Please continue to pray as we add another sensitive language to a secured website to reach a difficult region in Asia. Our personnel there tell us that this is crucial to providing the people there with a safe way to learn about Jesus.

## Phillip, Stephen and Hope's Corner

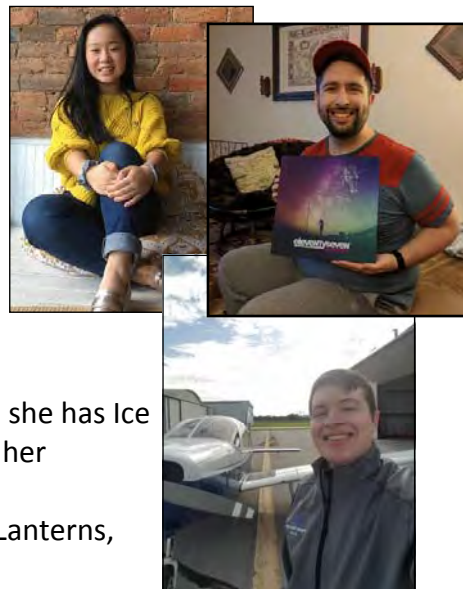

Happy Fall, everyone! Stephen here again to let you know what's happening in the life of my siblings and I!

Phillip's work as a music composer has recently entered the spotlight when he entered and won a remix competition for the band "Eleventyseven"! He worked hard on his remix of the song "Inside Out", and it all paid off!

My flying lessons are going great! I'm currently training for my Commercial Pilot's License, which will allow me to become employed as a pilot! It's crazy to think that I've only been flying for a year, and yet I'm almost able to find a job!

Hope is doing fabulous as always in her figure skating endeavors. This Fall, she has Ice Skating Competitions all over the Midwest, and she's already gearing up for her Christmas Show!

Well that's about it for now! Enjoy your Pumpkin Spice Latte, your Jack-o-Lanterns, and your Thanksgiving feasts, and I'll talk to you guys again this Winter!
