### Witness Often, Use Words if Necessary!

How many times do you have a chance to witness to people? The correct answer is :EVERYDAY!

You witness in the grocery store, school, the gym, the mall...no matter where you are. You don't have to speak a word for people to really see Jesus!

Every day we have the opportunity to reach people for Christ and most of the time it is as simple as being consistent in our actions and words day in and day out!

This June, God has given Crystal an amazing opportunity to travel to Honduras with the amazing women from the SC Women's ministries for a wonderful time of ministry! They will be ministering at a Women's prison, a Men's shelter and also a Boy's orphanage.

We are asking for prayers even now for all of those that are traveling for their provision of finances, for God's precious anointing as they share God's love. Pray for God's love to reach past the language barriers and reach those that they come in contact with. This will be a wonderful time to show God's love as they love on these ladies that are in the prison and let them know that they are still loveable and that God cares for them! Pray for the men in the Shelter that they be encouraged that God knows exactly where they are. Pray for the children that

are in the orphanage and let them sense the love that only the father to the fatherless has for them!
