### A Place to Belong

**Miriam\* and her husband recently responded to one of our Project10Million websites. They faced a real crisis.**

They were Muslims in Pakistan who had accepted Jesus. Her husband also accepted Jesus as their savior. Her father's family felt compelled as Muslims to seek the deaths of her and her husband and formed a mob, but they managed to escape and eventually ended up in another country.

Eventually, her father found them and they knew that he would seek their death. Miriam found one of our websites and asked for help. One of our responders answered her email and was able to contact a church near her. The pastor verified her story, assisted them with their needs and found protection for them! Miriam's family (by now they had a baby

boy and she is expecting another baby!) now attends this church and is growing in God and enjoying their fellowship.

Bill Hennessy, Director of Social Networking for Project10Million says, "Project10Million works! Every day, Project10Million connect those who live in desperation with Jesus Christ, who offers them real hope, real solutions and real relationship with His church."

Believers in sensitive countries are often isolated by their circumstances and don't always have a church to fellowship with, although there may be one locally. Finding a local church for believers is one of the discipleship goals for Project10Million so that they too, can have a place to belong.

\*Her name has been changed to protect her and her family.

JourneyAnswers.com is one of the member websites of Project10Million. This project provides a way for new converts to be discipled and believers to grow in God by connecting them with mature believers on the Internet. Our main project, GLOBALReach.org, provides evangelism and discipleship materials for Project10Million so that these believers can grow in God!

### Phillip, Stephen and Hope's Corner

Hi, I'm (Stephen) back again with the summer kids corner. Since the last newsletter, we went to Florida over spring break. While we were there, we watched Phill's Marching band play at Disney World, We also went to all four of the Disney Parks and Universal Studios. Phillip was inducted into the National Honors Society, I got the Principal's Honor Roll, and the Directors' Award for band, and Hope got the Outstanding Mathematician's award. I guess this is it till next time!  
Adios...
