## A Redeemed Terrorist

### A former terrorist is studying church planting through India College of Ministry (ICOM)!

We recently learned about a man from Nepal named Krishna. He lives in India now and is studying his 13th course through ICOM! His story is one of God's amazing saving grace! He belonged to a terrorist group against Nepal's government and was injured while fighting. He recovered from his wounds, but had to flee to India.

While there, he visited a church and accepted Jesus and soon became involved in the church! His pastor recognized his leadership qualities and suggested he enroll in ICOM!

*Krishna, a former terrorist, now studying ICOM courses and desires to reach his fellow Nepalis for Jesus!*

As a result of studying the courses, he is praying about starting a church to reach out to his fellow Nepalis, some

of whom are former enemies!

When asked about ICOM's impact, Krishna said, "Everything I know about Jesus, my salvation, and the Bible comes from these books." Please pray for Krishna as he seeks God concerning His will for

ministry.

### Trip to Bangalore and Sri Lanka

Fred will be traveling in July to Bangalore, India and Columbo, Sri Lanka to further train translators in preparing their work for the Online Bible School system that both ICOM and LCOM (Lanka College of Ministry) use to train their students. Please be in prayer for safety and God's guidance during this trip.

## Kovach Praise and Prayer

† Praise God for students like Krishna who have found Jesus and desire to reach others for Him. Please pray for the students of India College of Ministry as they seek God about how to minister to others.

† Please pray for God's anointing and safety for Fred's upcoming trip to India and Sri Lanka to advise our translators on how to enter their work into our Online Bible School Systems.

## Phillip, Stephen and Hope's Corner

Hey guys! It's me, Stephen, here again with the Kids Corner! Another exciting summer is here with us once again!

Hope kicked off the summer by preparing some very delicious home made Chinese Dumplings for the house! I wish I could have shared some with each of you, but I don't think I could stop myself from just eating them for myself!

I'm about to enter an exciting time in my life, as I prepare to study Aviation at a local community college! After 2 years in-town, I will then have to go to another university to finish off a Bachelor's Degree in Aviation. From there I could go on to be a commercial pilot in any number of jobs.

Phillip will be making a difference in the lives of a bunch of Missionary Kids this summer as he works at Missionary Training-Missionary Renewal, taking care of the children of Missionaries from all around the world while the missionaries go through training to make them more effective at sharing the Good Word! Well that's about it for this time, hope you guys keep cool out there!
