### “This is The Best I Have Ever Had!”

I learn some of the best lessons in life from my children. Without fail, every meal Stephen always remarks “This is the best (whatever we have eaten) that I have ever had!” And for a while someone would always remark to him “since yesterday right?” His response has always been “No.” I have often wondered why he says that and we talked about it.

He said to me “Mom, what I had yesterday was in the past and yes, we can enjoy the past, but every day is a brand new day! A day where we get to enjoy new things, learn new things and do new things. If I always look at what was in the past as being the best I ever had, I won’t be looking for the opportunities to do something better today! I can’t change what was in the past, but I

can set my mind that today is going to be the best I ever had!”

As we approach the Christmas season, we all have experienced some good things and some not so good things though out this year. But if we remember that the best is yet to come, we can build on the memories of the past but not dwell on them and we can make this moment that we are in the best we have ever had! That can be as simple as doing something for a neighbor that they aren’t expecting this season! What ever it is that you do, make it the best you have ever done! Merry Christmas!

We are now scheduling for our next furlough starting in September 2015. If you would like for us to visit your church, please contact us at 417-848-8381 or [fred.kovach@agmd.org](mailto:fred.kovach@agmd.org)

### Phillip, Stephen and Hope’s Corner

Hello! Stephen here with the kids corner! Shortly after the previous newsletter, I began looking for a job, and I’m excited to say that I am now an employee at Chick-Fil-A! This job will help me save for the missions trip this summer, as well as give me a little spending money. Hope the Ice Princess is skating better than ever. Right now, she is working on landing her “axle” jump. She also competed in the [Upper Great Lakes Regional Figure Skating Championship](#) round and placed 5th! Phillip is doing great at Evangel, and he is writing a short movie! Phill is also helping Hope in her Ice skating, by editing songs so Hope can skate to them. The theme park nearby is in the Christmas mood! To celebrate, they had the Evangel Marching band come and lead their parade, and I must say, they did a very good job. It was a great time to be able to spend time with Phill and some of his drum line friends! Well that’s about all for this newsletter. We hope you have a wonderful Christmas!
