GlobalReach.org Progress Report

Global University's archives contain evangelism and discipleship materials in 131 languages! This is a tremendous resource that can be used to reach people for Jesus via the Internet!

Most of these materials are still on paper. This has made it very difficult to place them on the Internet, or even to make copies to send overseas.

God began to speak to us about this problem and what we could do about it. Then He began speaking to others and placed them here at Global University!

Several months later, with Boys & Girls Missionary Crusade and Speed-the-Light Funds, we purchased a high-speed scanning system that can process over 1,000 pages per day. In addition, this system can recognize 62

of these languages and make documents that can be printed out or placed on to GlobalReach.org!

Meanwhile, we have also been working with GlobalReach.org to update its technologies to display these languages. One of the new

features will be the ability to browse in one language and download materials from another language! This will help those who have a friend who reads another language that they themselves don't read.*

Our archives contain over 263,000 pages that will be scanned! This is a huge task! But one that is needed to be able to reach our world for Jesus. Please pray for us and the team as we tackle this huge project!

*Please note that we have not placed multi-lingual features online yet. Look for them soon!

Kovach Praise and Prayer

- † Praise the Lord for \$75.00 per month of new support since last time!
- † Praise God for providing the equipment to complete our scanning system and for the upgrades to GlobalReach.org.
- † Pray for Phillip and Stephen as they start a new year of school for God's blessing on their education and relationships.
- † Pray for the Scanning and Internet teams as they begin the tremendous task of scanning the evangelism and discipleship materials in multiple languages.

Phillip, Stephen, and Hope's Corner

WOW!!! It's amazing how fast time flies. Not only am I talking about summer but everything altogether. We recently celebrated our second year of having Hope. We also went up to St. Louis to reunite with our adoption group and their kids. It was fun!!! Well we started school again I'm starting my Freshman year at Parkview and Stephen is starting his 4th grade year at Jeffries. Hope is not quite old enough to start school yet. For mom's sake that's a good thing. I also have started a Christian band called Amethyst and I have been working like crazy to write music.
