Your Missionaries Using Technology to Teach a Lost World about Jesus!

Volume 15, No. 2 Fall 2009 AGWM Account #243344 9

Making GLOBALReach.org your Missionary to the World!

GLOBALreach.org is about to leave its teens! With Evangelism and Discipleship materials in 19 languages, we are now working on ways that we can use it to reach people all over the world! In this article, we unveil a new webpage that will help you to link to the various language websites that make up GLOBALreach.org

Logos, banners, programming tools and more are available at our GLOBALreach.org link resource page.

We would like to encourage you to place a link to GLOBALreach.org on your site. This will help the search engines (like Google, Yahoo, MSN, etc) to know about GLOBALreach.org. *The more links that they see, the more likely that they are to send users to the site!*

We would like to encourage all of the individuals and churches who pray for us to also support GLOBALreach.org by linking to it.

Through linking your website to GLOBALreach.org, you may very well be connecting others to Jesus!

Our world is more multi-lingual now than it was 10 years ago. We can no longer assume that only one language is spoken in any nation. For example, although many who come to our shores learn English as a second language, most still understand their mother tongue better. But how can we reach these people? Many of them are on the Internet.

The information on the right contains a web address with information about linking to our site.

LINKING to GLOBALReach.org

The official address for the website is:

<http://www.globalreach.org>

However, each language has its own direct address.

You can find these addresses, as well as logos, banners and sample programming code on a special webpage at:

<http://globalreach.fredcrystal.com>

Please visit today, or send your webmaster there!

Hint: if you are reading this in the electronic version, you can click on the links!

Phillip, Stephen and Hope's Corner

Hi, I'm Stephen, and this time I'm writing the kids corner. A lot has been going on here lately. For one thing, we just had the annual "China Girl" reunion. That's where all of Hope's China sisters in Missouri get together and we "rode the ducks" in Branson. A duck is a military vehicle that can ride on the road and water and I got to drive one on Table Rock Lake!! Next, school just started!! Phill is in his Junior year in high school, I just started middle school (6th Grade), and Hope just started Kindergarten and she's making friends already! And last but *NOT* least, Phill is Assistant Percussion Captain in the marching band!!!

Well that pretty much wraps it up. Bye!
