Your Missionaries Using Technology to Teach a Lost World about Christ!

Volume 10, No. 2 Fall 2004

DFM Account #243344 9

Because...and Thank You!

Because the Scriptures tell us that God wants everyone to be saved, you pray for people in a faraway land whom you have never met.

Because They won't know God if They are not told, you send missionaries all over the world and pray for their ministries and families.

Because Jesus said to teach all nations, you prayed and sacrificed, missionaries go to the lands of their calling.

When you prayed for us, God gave us the "creative anointing" to use technology to teach people about Him. Now, new technologies are ready for missionaries to use.

When you prayed for us, God supplied the resources to help us reach the Chinese speaking world via internet media. Now, Chinese believers can be taught about Jesus.

When you prayed, God helped us produce video courses to train Iraqi believers. (*Thank God for Speed the Light!*)

A once-closed country will have fully equipped and trained workers.

Because you pray and sacrifice, we are able to fulfill our Call from

God; and we are grateful.

We realize that we are dependent on God and the prayers of His people to perform the work He has given. We desire your prayers on an important matter.

According to our missionary headquarters, our ministry's support base is *short \$1100.00 per month*. Now is the time for us to handle it together through prayer. We know through many accounts in the Bible that God moves when His people pray.

1. Please pray that God would supply new support for the ministry He has given us.
2. Pray for supporting churches who are not able to support us for economic or spiritual reasons.
3. Continue to pray for God's creative anointing on our work as we use technology to help our missionaries.

Thank you for your prayers!

What about Email?

Praise and Prayer

- ⇒ Praise God for the first shipment of equipment arrived in the new studio in Hong Kong. We have already started to consult with them on the next phase of this large project.
- ⇒ Please pray for the students at Baghdad Bible College as they view the course videos we recently produced. Pray for God's guidance as they study.
- ⇒ Please pray for Pastor Anuparp from Thailand. He was scheduled to be on camera for the Thai Great Questions of Life, but became ill and unable to travel.

Phillip and Stephen's Corner

We have started the fall going in full blast! I have earned my gold eagle medal in Royal Rangers and have started in the 6th grade band playing percussion! (Mom says her quiet nights at home are now over!!!!)

Stephen is really enjoying 1st grade! He is making a lot of new friends and is really learning to speak some words in Chinese! He is also trying to teach himself to ride his bike without training wheels! It is getting really close! Gotta run!!!
