Prayer Warriors Needed!

The earnest prayer of a righteous person has great power and wonderful results. James 5:16b (New Living Translation)

As I was traveling back from South Carolina on a recent trip, God brought this scripture to mind. We make it a point to encourage the people in the churches that we visit to pray for the missionaries that their churches support.

I thought over this passage and began to realize how powerful prayer is. A person does not have to be perfect, or a "super-saint." The passage says that he needs to be righteous. Do you want to pray prayers that "shake Heaven." Since our righteousness comes from God, keeping our sins confessed before God is an important part of these kind of prayers.

The next two verses talk about Elijah and how he prayed for the rain to stop. It did not rain for three and a half years. Then he prayed again for it to start, and it did. Elijah obeyed God's laws; he prayed to God; he listened to God's guidance; and God was able to do mighty things through him. James tells us that he was as human as we are, but he was also a righteous man who prayed some powerful

prayers. Through God's righteousness and the power of the Holy Spirit, we too can pray powerful and effective prayers.

Later this year, we will start itineration ministry, during which we will be visiting our supporting churches to thank them for praying for our ministry. We will also be visiting other churches to urge them to pray for us.

During this time of itineration, we will also be trusting God to supply the additional \$1100.00 per month that our ministry's budget needs. God reminded me through this passage that He is able!

We are grateful for the prayers of those who pray for our ministry. We would like to ask you to continue to pray for us. If we are not on your prayer list, would you commit yourself to praying for us at least once a week? Don't merely pray for the budget shortfall; pray for God's anointing on our itineration ministry and for His creative anointing on the discipleship projects that we provide tech support at Global University's TV studio (see inset below).

We have said many times that the efforts of missionaries are supported through the prayers of God's people. With your prayer support, God will do mighty things!

Praise and Prayer

- ⇒ Please continue to pray for Baby Hope, the baby girl that we are adopting from China. We should be receiving her picture and information soon! Pray for God's favor with foundations from which we applied for a grant.
- ⇒ Thank you for praying for Fred's Mom, Doris. Her surgery went well, and she has received excellent reports from the doctors.

Prayer support for tech support!

We are currently providing support for 25 projects at Global University, including:

- ⇒ Preproduction of discipleship videos in Arabic and Spanish.
- ⇒ Prototyping courses in English to be used here and overseas.
- ⇒ Assisting with the design of various projects, including studios overseas.
- ⇒ Using new technologies to allow one product to minister to people of many different languages.
