**When we selected our theme “Going Beyond the Borders”, we were reflecting on the great things that God had done in our lives and ministry during the past term, as well as looking forward to the next term.** Our family members have been on seven missions trips this past term with God’s incredible anointing and favor. These trips stretched us literally when we had to cross borders. A digital studio upgrade which took our studio into new territory! Our involvement in the India College of Ministry, which stretched us intellectually as we trained and then supported the project from half a world

away!

But nothing illustrates this better than one of our language projects on GLOBALreach.org. Because of security issues, we codename this project “31st Language” sometimes we refer to it as “Klingon” (from Star Trek). The people who speak this language are in a closed country and are not permitted to publish in it. However, we were able to publish our courses on private server! Our brothers and sisters there say that it is like the teacher FINALLY showed up!!! They have thanked us many times from Beyond The Borders, and on their behalf, we thank you for helping us to assist them.

We have enclosed a new prayer card, as well as a commitment form and autodraft form. As we start this furlough, we have to raise about \$1,175.00 per month and \$26,000.00 in cash. Please prayerfully consider giving us a boost by filling out one of the forms and sending it in!

### Kovach Praise and Prayer

- † Pray for God’s favor and anointing on our upcoming year of itineration for new commitments and special offerings.
- † Praise God for His anointing on Stephen’s Guatemala trip. Many lives were touched at the Shadow of His Wings Orphanage.
- † Please pray for the people of the “31st Language” for translators and that converts would be strong against pressure from families to go back to the local religion.

### Phillip, Stephen and Hope’s Corner

Hey there, it’s Stephen here with the Kids Corner, and it has been an exciting summer! Hope has been busy with her Ice Skating, adding quite a few medals to her collection over the summer including 2 silver medals at the State Games of America in Nebraska, but she still finds time to help out at Global. Over the summer, I had the opportunity to go on a Missions trip to Guatemala with the youth group at my church. There, we helped out at Shadow of his Wings Children’s Home, while also ministering to the residents of a community by the landfill. The Holy Spirit did amazing things through our team and the residents of Guatemala.

Phillip has started his senior year at evangel, and he’s enjoying playing the Bass Drum in the marching band when the Evangel Football team has home games. God is using him to do great things

Well that’s about it for now, keep doing amazing things!
