GLOBALreach.org in Khmer!

Our team in Cambodia recently translated the entire Christian Life Discipleship series and shared them with us, so that we could upload them to GLOBALreach.org! Their students have testified about how much they have learned from these courses, with one student saying that he learned more in two days from the [How to Study the Bible](#) course than he would have in three months!

The new website will help train pastors in Cambodia as well as around the world! Please pray for these students as they prepare for the call that God has placed on their lives.

Above: Cambodian students study the new courses in Khmer. They are amazed by how much they learn from the new courses.

Below: The new Khmer GLOBALreach.org webpage will help distribute courses in Cambodia and around the world!

Phillip, Stephen and Hope's Corner

Hello everyone, Stephen Kovach here again to let ya'll know what's been going on around the Kovach House this Fall!

Hope's figure skating season is in full swing! She's been to various surrounding states for both Competitions as well as Figure Skating Training Camps, and she's done a fantastic job at both! She's also recently been able to meet Frank Carroll, an Olympian and a professional figure skating coach with pupils such as Michelle Kwan and Gracie Gold.

After having been in training for the last 2 years, I've recently entered a new phase of my Aviation Career! As of the beginning of August, I'm now a Flight Instructor at the flight school that I've done my training at. I've currently got 4 students that I meet with 3 days a week. And within 2 or 3 years, I hope to have the hours I need to be hired on as a First Officer at an airline!

Phill is continuing to work hard at his job at the Assembly of God Headquarters here in Springfield, but he's also working as a consultant for a website that helps people choose Microphones for whatever project that they may be working on. Since our last newsletter, Phillip's cover of "Harder, Better, Faster, Stronger" by Daft Punk has gotten close to 30,000 streams on Spotify alone! If you've not been able to listen to it yet, you can find it at phill-music.fredcrystal.com. Well that's about it for this newsletter, I hope every one of you have a wonderful Autumn Season, and God Bless!
