## Pray for our Translators!

*Much of what Global University does would not be possible without the assistance of translators all over the world.*

Over the years, Global University has developed distance education materials to reach and disciple people at a variety of levels: from those beginning their search for God to those seeking their Masters and Doctoral degrees!

God has used these courses all over the world to minister to people, but this would not be possible without people to translate these courses into the languages used in the 150+ nations that we serve!

Translation work is not easy. Fluency in both the national

language and English are necessary. And knowledge of theological terms in both languages is mandatory. These requirements alone can severely limit the people qualified. Plus, translators in some restricted areas face imprisonment or worse.

Please pray for God's anointing, guidance and safety for our translators as they perform this very important service for the Kingdom.

## Kovach Praise and Prayer

- † We praise God that we have been approved to return to our work in September as the Chief Engineer of IT at Global University! Thanks to all who listened to God and made it possible!
- † Please pray for God's provision as we seek the rest of God's funding for our ministry budget: about \$5,000 in cash for our Travel and Ministry Budgets.
- † Please pray for God's anointing and protection for translators as they perform the important work of rendering our courses into their country's languages.

## Stephen and Hope's Corner

Happy Fall everyone!!!! It's been a little bit of a slow season for the Kovach kids.

As you can see in the pictures Stephen is continuing to fly and he recently took a flight with our dad. He is also continuing to work at Global University and working on his bachelors in business.

In my picture I was recently at a skate clinic with Max Arron ( a really good skater / my favorite skater!! ) it was a blast and I learned so much. I also have a competition coming up this September.

I hope you guys have a great fall and I'll see you guys soon!!!
