Reaching the Hmong of Asia

The Hmong of Asia are a remote people group who have been impacted by our Online Bible Schools, even though they, for the most part, do not have Internet Access.

The Hmong live mostly in difficult, remote locations that span several Asian countries, including Thailand, Vietnam, Laos and China. Yet our current Hmong Discipleship Outreach, which is training believers via paper courses, has its roots in one of Global University's Online Bible Schools in an Asian country. Believers in this country, while studying

via its Online Bible School, began to develop a vision to reach the Hmong. They planned ways to do this, even though they endure great hardship themselves. Now, there are over 2,000 Hmong believers who have joined Global University's training network to receive discipleship and leadership training!

Thanks to your prayers for our Online Bible Schools, God is doing a great thing in Asia—even amongst groups like the Hmong who do not have Internet access!

Please help protect our Asian brothers and sisters by not copying this newsletter in any manner, or posting it on the Internet, including email.

We would love to come share with your church what God has done these past four years! Our next furlough starts in September. If you would like for us to visit your church, please contact us at 417-848-8381 or fred.kovach@agmd.org

Phillip, Stephen and Hope's Corner

Hey guys, it's Stephen here with another kids corner. School has been going well for all three of us! Hope has been working on a model of the solar system for science class for the last few weeks, and in Ice Skating, she has landed her Axel jump!

This last January, I had my 17th birthday celebration with my family. I am doing well in school as well. Right now I am planning a dinner party for a Consumer Science class. This summer, God has provided the opportunity for me to go on a Missions trip this summer to Guatemala with the youth group at my church. With God's help, I have already been provided with most of the funds required to go on this trip.

Phillip has been working on a project for school that requires him to write and record his own music. If you would like to learn more about his music project, you can visit his blog at <http://phillkovachmusic.wix.com/amidst-the-dark> Well that's pretty much it for now. See you later!
