Global University's Largest Graduation

On January 20, 2019, the India College of Ministry held the largest graduation yet by Global University. In Chennai, India, 1,383 graduates received their certificates! For them, this represents over a year of study. For most of them in difficult circumstances.

For us, it culminates over five years of working with our counterparts half a world away; coordinating files and programming our Online Bible Schools. However, the job isn't done and the work continues! In fact, we just received word that the India College of Ministry will be performing another graduation in March—this time in Bangalore, India!

A panoramic view of the 1,383 graduates of the India College of Ministry graduation in Chennai in January.

Some of our supporters have been unable to continue their support and our ministry account is in danger of going into the red. Please pray for God to supply our needs. If God speaks to you about giving, please visit

Phillip, Stephen and Hope's Corner

Hello everyone! It's springtime again, and as we begin to defrost from this winter, let me fill you in on the happenings of my siblings and I! Phill has been hard at work on his latest project, entitled "Wings of Ice", which has just recently been released on Spotify, as well as other music platforms. You can listen to it at <https://www.edgeofoblivionproductions.com/links>. My sister, Hope, has been working her legs off for her figure skating program, where she skates along to "Wings of Ice". She has recently gotten back from a competition in Omaha, Nebraska, and she's planning on going to many more. I've also been keeping myself busy. I'm continuing to work on my Commercial Pilot's License, while also beginning to work on my Certified Flight Instructor's License. I'll also be graduating from my community college this May, and I plan on transferring to Missouri State University for a degree in Administrative Management as I begin my career as a pilot. Well that's about it as far as our Springtime events go, I hope all of you reading this are able to get out and enjoy the warmer weather!
