Discipling Students to Disciple Others

One of the features of Global University's Hybrid Online Bible Schools is the flexibility for students to study using ways that best fit them, whether it's via books, the web, or tablet!

These students are trained to use what they learn immediately; by taking what they've learned and use it to disciple others in their churches and neighborhoods! You could say that these students are disciplined to disciple others to be closer to Jesus!

George is one such student. We met George at one of our Global University Graduation ceremonies in the Far East! He had already taken what he had learned back to his church where he was ministering to them. He also ministers in a neighborhood church and has seen a difference in his community already. You can hear George's story in his own words at: <https://george.fredcrystal.com>

After studying our Sharing the Good News course, another Online Bible School study group felt the vision to reach a semi-nomadic people group nearby. These new believers in Christ are now being reached with audio-books in their own language!

Please pray for us as we continue to use technology to reach our world for Jesus!

Students in a sensitive country are able to study using Android Tablets!

As we continue our work, we face challenges with our ministry account balance being low due to increased field expenses and decreased support offerings. If you are able to help with this urgent need with a new or increased commitment or one-time offering, you can give to our ministry account at: <https://giving.fredcrystal.com> or send to the address on the right. Thank you so much!

Stephen and Hope's Corner

Happy spring everyone!

Over the winter Stephen started and finished his training. He is now First Officer at American Eagle and has been enjoying it! He has also recently moved to Delaware for his job.

I am still skating and coaching, I recently just coached at my first local competition and test session. I hope to continue my coaching journey and teach more people about skating!!

Wishing the best for you all!!! Have a good spring.
