## Doing Ministry Through a Pandemic

**Normally, we have a ministry update in our newsletter. Due to the Corona Virus, we are writing about Live Streaming this time. It has become a specialty and we have some suggestions. If we can assist you in any way, please feel free to contact us!**

The stay-at-home orders have brought live streaming to the forefront for churches. Many churches have worked with these orders by going to live streams or videoconferencing. During this time, churches have discovered new opportunities for ministry.

One church saw people from all over the world. Plus, family members who wouldn't darken the church door are watching!

Here are some suggestions to continue streaming ministry even while you make plans to meet in person again.

**Content:** Make sure to greet your online audience from the pulpit and have someone reply to comments during services. If you are online only, try changing greetings, or order of service.

The Mevo Start Streaming Camera is easy to use and sends video and audio directly to the web. If you're interested, we have an Amazon list that you can use to order your setup.

Online visitors like to be greeted and treated just like in person.

**Equipment:** An inexpensive upgrade is a Mevo system [mevo.com](#) It is a camera that streams directly to Facebook or Youtube and can be run from your phone with audio from your sound board.

**Streaming Upgrades:** If you would like to upgrade

to a more professional look, check out the Livestream Studio software at [livestream.com](#) It can mix multiple cameras and put titles and other effects on the screen. It is free with a Livestream or Vimeo Premium subscription. A free option with many features is OBS at [obsproject.com](#)

These are just a few of the things you can be doing to update your online media presence. If we can help in any way, please let us know!

Itineration ministry is starting in the fall. If you would like for us to come minister in your church, please let us know!

## Kovach Praise and Prayer

† Please pray for God to supply the needs of our ministry, as well as God's provision for those who support our ministry.

† Praise God that the ministry of Global University, as well as those of the India College of Ministry have been able to continue unimpeded during the Corona Lockdowns. Please pray that this would be a great time of evangelism and discipleship!

## Phill, Stephen and Hope's Corner

Hello everyone!!! I hope you guys have been staying safe and are getting to spend time with your family during this season of "Shelter in Place".

Stephen has started teaching flying lessons again and is happy to be in the plane and helping his students get closer to reaching their goals! He is getting ready to start his summer classes towards his bachelors degree.

Phill and Kate are seeing the light at the end of the tunnel as they are planning for their fall wedding! I can't wait to gain a sister!

I was able to go back to the rink a few weeks ago! It felt good to be back on the ice! I was recognized by US Figure Skating for being in the top 25% in the nation for Intermediate Ladies for last years competition season!

We hope that you all have a great summer making memories with your families and friends!
