Faith Planting Time!

Happy Spring to each of you! I love springtime! The beautiful flowers blooming all around us!

A few weeks ago a dear friend posted on Facebook about the mustard seed. Have you ever really thought about the outcome of the mustard seed? We read in Mark 4:31-32 that the mustard seed is the smallest of all seeds on earth, but when it is planted it grows into the largest of all garden plants, with such big branches that birds can perch inside! Have you looked at a mustard seed? It is small! That is the amount of faith that God says we need! What else do we need to do with it? **PLANT IT!**

I was reading an article and found something every interesting! A seed is alive while it waits!

A seed has to be planted to bring forth the flowers or produce! Faith has to be

planted in order to produce faith! It has to go into the dirt! The dirt serves a purpose when the seed has potential!

The seed needs to be covered in dirt. The seed needs to be watered! It needs to be tended, weeds pulled! If you just plant it and walk away, the weeds will overtake it! It will never reach its potential!

Faith is the same way! You continuously pray for what you are believing for! We have to tend to it daily to see it grow to its full potential!

What kind of harvest are you planting with your seeds of faith?

Stephen and Hope's Corner

Hello. It's me again...your favorite Kovach kid (in case you didn't know it's Hope).

A few things have happened since we last saw you. Stephen has recently started back to flight instructing at the downtown airport. He is also continuing to work at Global and is taking classes to get his Bachelors degree in business.

As the picture shows I recently got third at my first in-person competition for the season in Omaha, Nebraska. And I am still currently working at the Ice Rink and I'm practicing towards passing my Novice Freeskate.

That's pretty much all that has happened and thank you for reading!
