FINDING A HOME AT CHRISTMAS

Most everyone has a home. Some place to call your own. Some do not. We see it more and more that there are more people on the corners asking for help.

Many years ago, a young couple went on a journey to pay taxes. The hotels, motels were all full. The couldn't get a room using Priceline.com or anything. There was no place for them to rest and recover from their long journey. One of the front desk clerks felt sorry for the couple and told them that the only place that he could spare was a shed in the back where they kept their animals. The couple, being so tired, took the guy up on his offer! The tv didn't work, the air mattress had a slow leak.

Low and behold the lady went into labor and there wasn't a hospital

around. She gave birth to a son.

That son would impact the world in ways you couldn't imagine! He would become the Savior of the world. The

Redeemer, The Soon Coming King! No matter where this Christmas season finds you, always remember that there is always room for you at the foot of the cross, covered by grace! Jesus loves you enough to have

left the splendor of heaven, be born in a stable, die on a cross and raise from the dead so that you can have an everlasting life that comes by simply asking for God to forgive you of your sins!

May your heart be filled with the gift of salvation this Christmas season! May your new year be filled with the richest of blessings!

Phillip, Stephen and Hope's Corner

Hey, guys! It's Stephen here again with the Kovach Kids Corner! It's hard to believe winter is already here! As usual, things are busy around the Kovach House.

[Phillip has been composing music](#) for various internet video series, one of which has won an award. He has also been working full-time as a Dietary Aide in town.

I had the pleasure of traveling to Winter Park, Colorado to spend a few days in God's Presence as well as skiing with College-Aged Missionary Kids from around the world. I had a great time and God spoke to me in many ways.

[Hope has been gearing up her Figure Skating](#) skills as she prepares to skate during the opening ceremony of the National Competition for U.S. Figure Skating and the Smuckers Spectacular in Kansas City, Missouri this January. It's amazing to see how much Hope has learned in figure skating since she started 6 years ago.

Well that's everything that's happening between Hope, Phill, and I. Everyone be sure to bundle up this winter! See ya!
