### **Praise and Prayer**

- ⇒ We praise God for a safe trip to China to pick up Hope, our adopted daughter. She is in good health and fits right in. Thank you for praying. (See pictures below and on page two.)
- ⇒ Praise God for the \$75 in new monthly commitments to our ministry. This now puts us at \$1099.00 per month left to raise. Please pray that God will help us reach our goal.
- ⇒ Please pray for us as we visit our supporting churches and friends over the next twelve months. Pray for the Holy Spirit's guidance in scheduling and His anointing as we minister.

### **Phillip, Stephen & Hope's Corner**

Well a lot has happened since the last time I wrote! Hope is a lot of fun to have around! She keeps us laughing! She is so sweet and we are excited to have her around!

I have started 7th grade and Stephen is now in the 2nd grade.

We got to visit with a few of you during our summer travels. It was fun being a part of different Rangers groups. We also had an awesome time at School of Missions this summer! Thanks MK office for an awesome time!!!!!!

## Itineration IFAQ (InFrequently Asked Questions)

In order to help you understand our time of itineration, we offer you the answers to some questions.

- 1) **What is different about this itineration cycle now from the way you used to itinerate?** A new AGWM policy encourages us to take a 12 month cycle once every five years to visit our supporting churches and to find new supporters. Under the old system, we would take time off from the studio to visit our churches one or two weekends a month. This did not work very well and we requested time to focus on our churches and raise the new support that we need. Once this itineration cycle is complete, our next one will be scheduled in 2010 and we will be able to concentrate on our ministry at the studio of Global University!
- 2) **Why has your budget gone up and how has this affected your ministry account?** 1) We are now the only licensed Broadcast Engineers in AGWM and God has expanded our scope of ministry to include some overseas travel for studio consultations with other missionary ministries; 2) Some churches have discontinued giving due to financial or spiritual problems. 3) Inflation/cost of living. These situations have caused our ministry account to go into the red. We are trusting God to supply what we need to bring us back into the black.
- 3) **What is the response so far?** Praise God, our requests to schedule services have been well received and we are now scheduling the first three months of 2006! You can contact us using the information below or go to our interactive ministry schedule at <http://ministry.fredcrystal.com> We would like to visit all of our supporting churches who would like to have us, but many of the best service slots are filling fast!
- 4) **What do you talk about in your services?** We mainly share what God has done over the last term and how He is using technology to help missionaries. We may talk about the Internet Discipleship Website, or the special Country Music/Discipleship Disks, or our role in Global University's work in Baghdad.
