Your Missionaries Using Technology to Teach a  
Lost World about Christ!

Volume 10, No. 1 Summer 2004

DFM Account #243344 9

## Technology to Train Iraqi Believers

Who would have thought one year ago, that there would be an Assemblies of God Bible School in the capital city of Iraq? Yet by the grace of God, a partnership of Assemblies of God missionaries and Global University was able to establish Baghdad Bible College! We consider it to be one of God's greatest victories in post-war Iraq!

Recently, the national church determined that it was too dangerous for our missionaries to cross the border to teach at the school, and once again they have turned to Global University—this time to use our eMedia Studios to produce lessons for our Iraqi brothers and sisters to use! Although we are in the discussion stages, our department has already been asked to establish our calendars now and be ready to start producing sometime this summer!

This will be an exciting project which will

use technology to help our missionaries teach fellow believers in a place where they themselves cannot go! Please be praying for us as we go into preproduction planning, and for our missionaries as they prepare lessons to be videotaped!

### **New Video for Thailand**

Production of The Great Questions of Life in the Thai language is slated to begin in September. Please be praying for Thailand General Superintendent Anuparp as he prepares to present this evangelistic video series to his fellow citizens in their own language.

### **Global University Graduation**

Global University had our second annual graduation on June 25. In all, over 530 graduates from our Berean, Bachelors and Masters degree programs were represented in this ceremony. Although only a few were able to attend, those who did were a great encouragement to the GU staff. One of the highlights for Fred was to be able to meet Michael Cobb, a Master's degree student who we had assisted in setting up a teleconference for his Master's Thesis Defense.

## Praise and Prayer

- ⇒ Please be in prayer as we continue to provide consultation on a new studio to be built in Hong Kong. Please pray for God's creative wisdom in providing equipment options.
- ⇒ Please pray for God's anointing as we visit churches to renew prayer commitments and to find God's new funding of our ministry. International travel to assist missionaries with their studios and other budget factors have increased our shortfall to \$1100.00 per month.
- ⇒ Praise God for Speed The Light's funding of equipment and systems for Global University's studio!
- ⇒ We are in the process of adopting a baby girl from China, "Baby Hope". Please pray for God's favor with government officials for a speedy process.

## Phillip and Stephen's Corner

A lot has been going on! I have finished 5th grade and ready for Middle School! Stephen is headed for the first grade. We are having a lot of fun this summer! We got to meet the new Bibleman and Biblegirl. We also got to take a ride on Stephen's favorite train- Thomas the Tank Engine!

We are also doing a lot of traveling with dad so we may be coming to a church near you! Gotta blast.....
